## NURAPLY TPO FLUTED CORNER TECHNICAL DATA SHEET

---

### Application Fields

Nuraply TPO molded accessories are designed for use with Nuraply TPO single-ply membranes. The moulded accessories may be installed on mechanically attached, fully adhered, or self-adhered Nuraply TPO roofing systems. Nuraply moulded accessories are installed using conventional techniques. See published application and specifications manual for detailed instructions.

### Description

Nuraply TPO single-ply roofing system moulded accessories provide roofing contractors an easy-to-install, factory-built detail. Nuraply TPO moulded accessories are manufactured using a proprietary formulation designed for use with Nuraply TPO single-ply membranes.

- **Cost effective...** Reduces installed costs
- **Improved Reliability...** Factory-built accessories reduce risk of leaks and call backs
- **Improved aesthetics...** Uniform look

### Product Information

Nuraply TPO Fluted Corners are molded from a proprietary TPO formulation engineered to work with Nuraply TPO single-ply membranes. Fluted Corners allow for easy flashing of non-uniform corners.
